Aloha,

This 2021 legislative session operated much differently from those in previous years due to restrictions brought on by the COVID-19 pandemic. However, through hard work and perseverance, we managed to balance the budget and avoid making drastic cuts to several important services.

It has been an honor to continue serving as your representative, and I will continue to work hard on behalf of our district.

Although the capitol remains closed to the public due to COVID-19 restrictions, my office will continue to operate at full capacity. Please do not hesitate to reach out to my office via phone at 808-586-6210 or feel free to send me an email at repwoodson@capitol.hawaii.gov. We are always happy to assist!
